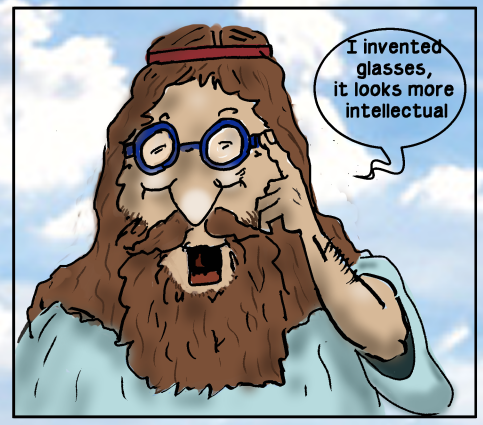
On his throne, God was be-posting

OK, this word doesn't really exist.
But hey, it's God, he speaks as he pleases.

And besides, receiving mail
when you're alone in the universe...



Dear Me,
I bring to my kind remembrance
my past creation of a universe
in which remains the memory
of my escapades and my promise
– reckless, one might say –
to return there one day.

Perhaps I should honour
this promise.
Yours truly,
Me.
